

## SY/MAX I/O Module Replacement Options

Obsolete Product	Functional Description	Possible Replacement	Application Notes
RDI 016	16 pt 0-5 Vdc Digital Input w/Four High Speed Counter Inputs	N/A	No replacement options are available.
RDI 032	32 pt 0-5 Vdc Digital Input w/Four High Speed Counter Inputs	N/A	No replacement options are available.
RDI B16	16 pt 12-24 Vac/Vdc Digital Input w/4 freezable high speed counter inputs	RDI 116	No Freezable Counters.
RDI D16	16 pt 12-24 Vac/Vdc Digital Input	RDI 116	Direct Replacement.
RDI E16	16 pt 0-5 Vdc Digital Input w/4 freezable high speed counter inputs	N/A	No replacement options are available.
RDI 216	16 pt 24-48 Vac/Vdc inputs	RDI 116	RDI 116 capable of input range if customer implements dropping resistors.
RDI 316	16 pt 120 Vac/Vdc inputs	RDI 332	Direct Replacement.
SCM 106	RS 232 to RS 422 Converter w/220 Vac power supply	SCM 105	220 Vac to 5 Vdc voltage converter required.
RTS 216	16 pt Temperature Sensor Input	RIM 125	Special Configuration available. Call Tech Support.
STS 100	Wall Mount Temperature Sensor	N/A	No replacement options are available.
RII 216	16 pt 48 – 60 Vac/Vdc Isolated Digital Input	RDI 116	May be used with dropping resistors. Non-Isolated.
RII 416	16 pt 220Vac Isolated Digital Input	RDI 332	May be used with dropping resistors. Non-isolated.
RDO 408	8 pt 120 Vac High Current Relay Output	RDO 732	May be used with customer installed interposing relays purchased from distribution.
RDO 508	8 pt 220 Vac High Current Relay Output	RDO 732	May be used with customer installed interposing relays purchased from distribution.
RDO 616	16 pt 120 Vac Form C Relay Output	RDO 732	No form C contacts available. Ladder logic may be programmed for additional 16 relays provided by RDO 732 to act as opposite state contacts.
RDO 716	16 pt 120 Vac Relay	RDO 732	Direct Replacement.
RTD A12	12 pt RTD Input Module	N/A	No replacement options are available.
SCM 100	Loop Powered RS 232 to RS 422 Converter	SCM 105.	External power source supplied with SCM 105 is required.
SCP 204	4 ch Com Port Expander	N/A	No replacement options are available.
